Committee members shall serve at the pleasure of a majority of the Officers - and shall have no fixed term of office.

A motion for the removal of an Officer may be made, seconded, and discussed by the Members and shall be voted on by the Members.

DUTIES OF THE OFFICERS

The PRESIDENT shall preside at meetings, conducting the meetings according to any rules adopted. He shall enforce due observance of these

The Trustee also shall submit membership lists to the ARRL and CQ as required by the club competitions and to the GMCC webmaster for updating of the website. The trustee is also the applicant, sponsor, and trustee of the organization's club contest licenses and the club's call sign: W0TM.

CLUB'S CALLSIGN

The club may maintain one or more Club station licenses. The club station license is the sole property of the club, even if held nominally by the club's Trustee. With the permission of the Trustee, one or more club members may arrange to use the club callsign, W0TM. The Trustee may be changed by a majority vote of the officers and board members.

WEBMASTER

A webmaster shall be appointed by the Officers, upon a simple majority vote of those present at the meeting. The webmaster shall be in charge of the design and maintenance of the website and the GMCC reflector or groups.io mailing list. The Officers will call for a volunteer advisory team of members to assist and advise the webmaster in the design and content on the site.

MEETINGS

With the change by ARRL that club members are no longer required to attend meetings, GMCC will periodically have meetings as deemed appropriate by a majority of the officers or upon the request of two or more of the members. While not required, GMCC's goal is to meet once a year on the eastern slope and once a year on the western slope. Members may attend meetings in person or virtually - and provisions for these alternatives shall be afforded to any member desiring to attend.

Regular meetings may be held or called as desired or needed by officers or board members. Special meetings may be called by the president or officers of the club or upon written request of any five club members. Advance notice of all meetings, regular or special, shall be given to the membership via the GMCC reflector no less than 10 days before any such meeting. A written agenda shall be provided with the meeting notice, however, topics at the meeting are not limited to the agenda.

A quorum shall be defined as all members actually present at a properly constituted meeting or actually submitting a vote on a matter to be approved informally. Unless this Constitution and Bylaws require a greater number, the vote of a simple majority of Members present at any meeting (in person or virtually) shall be sufficient to approve any proposed action. All meetings shall be conducted informally, but if requested or the situation requires more formality, the President or Vice-President shall conduct the remainder of the meeting in accordance with Robert's Rules of Order, upon announcing that change to those at the meeting.

The Members of GMCC may approve actions informally. The process for informal approval shall be that one of the Officers shall transmit to the members over the GMCC reflector a description of the item to be approved. The members may then vote in favor or against approval of that item within a specified time period. Unless the Constitution and Bylaws require a greater percentage of the members to approve an item, the item shall be deemed to have been approved if a majority of the members who respond by voting, vote in favor of approval of the item, even if the number voting to approve is less than a majority of all the members of the Club. If less than a majority of the members who respond by voting vote against approval, then the matter shall not have been approved.

DUES - VOLUNTARY CONTRIBUTIONS

Membership in GMCC shall not be contingent upon payment of dues at this time. However, voluntary contributions may be solicited from time to time. Such voluntary contributions are used to support club activities and programs including the club's Top Gun Award, plaques, and other certificates.

As voted by a simple majority of the Members, GMCC may sponsor certain contesting awards including plaques given out by ARRL, CQ, and other clubs.

Members may request that the GMCC Officers support special awards, contest DX-peditions, or other desirable contesting needs.

CENTER OF CIRCLE FOR CONTESTING CLUB COMPETITIONS

For club competition purposes, the Trustee will determine the center of our club's circle USING A 175 MILE RADIUS for ARRL contests and 250 MILE RADIUS for CQ Magazine contests to encompass as many Colorado and adjoining state MEMBER contesters as possible.

At present, GMCC's circle is centered on Hartsel, Colorado, and includes all present Colorado and southern Wyoming-based members. As required, members eligible for club competitions must be within the circles and that list will be forwarded by Trustee or other officer as designated by the President to the appropriate club competition departments of ARRL and CQ Magazine. Other members outside the circle will be listed separately on the website membership list.

ASSISTANCE

If volunteer resources are available within the club, GMCC may endeavor to provide technical advice and assistance to members concerning equipment, antenna design, and operations to assist in frequency observance, clean signals, uniform best practices, and the absence of spurious radiations of its members' stations.

AMENDMENTS

Any member of the Association may propose amendments to the Bylaws. Proposals for an amendment to the Bylaws shall be submitted in writing at a Regular or Special meeting. A motion on the proposal must be made, seconded, and discussed and shall be open for further discussion and voted on at the next following Regular Meeting. Amendments to the Bylaws or any temporary suspension of the Constitution and Bylaws require a simple majority vote of the members present at a properly constituted meeting or of the members voting within the specified period on the issue as submitted to the members without a meeting.

DISSOLUTION

Should one or more members or officers wish to cause GMCC to dissolve, a motion for dissolution must be made, seconded, and discussed at a Regular or Special Meeting and shall be open for further discussion and shall be voted on at the next following Meeting of the Members. The club shall be dissolved upon a vote for dissolution from a three-fourths (3/4) majority of all the members of the club. Upon the dissolution of the Association, assets shall be distributed for one or more exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose. Any such assets not so disposed of shall be disposed of by a court of competent jurisdiction of the county in which the principal office of the corporation is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

APPROVAL AND ADOPTION

GMCC establishes this Constitution and Bylaws to govern administrative and procedural matters (such as time and location of meetings, etc.) relating to the club.

This Constitution and Bylaws amend and restate in their entirety, the provisions of GMCC's Mission Statement and Bylaws originally adopted in 2011, and any and all amendments thereto.
